Da Kine Grinds Since 1988

Wahoo's started in 1988 in a small location near the beach in Costa Mesa, CA. Three brothers took their love of surf and food to create a unique restaurant that serves up a fresh, light and tasty fusion of Brazilian, Asian and Mexican fare.

The customers are what make Wahoo's succeed and stand out. We are proud to have a loyal and steady following of customers who are dedicated to "their" Wahoo's location.

Today there are Wahoo's Fish Taco restaurants throughout California, Colorado, Hawaii, Nebraska, Nevada, New York and Texas. Opening soon in Japan. Come and experience the difference.

The Legend of **WAIKIKI Wally's**

In 1942, Wallace Armstrong met Elizabeth "Betty" Underwood, a Greenwich Connecticut debutante, at the Plaza Hotel Christmas Ball. Although he had executed another debt to the party, he now escorted Betty down the aisle. Shortly after their work published wedding, Wallace was drafted into the Navy and stationed in Hawaii. On a weekend pass to Waikiki, Wallace found himself in a noisy Hotel Street bar. Ignoring that the "Volly Whaler" was off-limits to Navy personnel, he ordered several of their house rum cocktails. Shortly after midnight, the bar quieted down as the couple drove started to beat their paper rhythm. Suddenly, a spotlight illuminated the wall to Betty's right. Wallace had even seen her.

She had long black hair with a red Hibiscus flower behind her left ear. She began the slow undulations of the classic Hawaiian hula. Her every little movement was a warning off its own. His dance was a Whaler's declaration of independence. She took off her lei after he after his, then grabbed a large basket of tropical fruit the size of her torso. Whipping off her cellophane gown skirt, she left nothing but two wings and a pineapple between her and the crowd. And then, blackout...

As Wallace ordered another rum cocktail, he asked the bartender the name of the dancer. "Her name is Hibiscus Heaven, which by the way, is what we call the cocktail you're drinking."

For Wallace Armstrong, life would never be the same. ATOL Wallace returned the following night, looking for Hibiscus Heaven, but she did not show up. Night after night, he stalked her in every bar in Waikiki, but all he ever found were more of the Whaler's rum cocktails of the same name. By the time the military police caught up with him, he had broken every rule in the book.

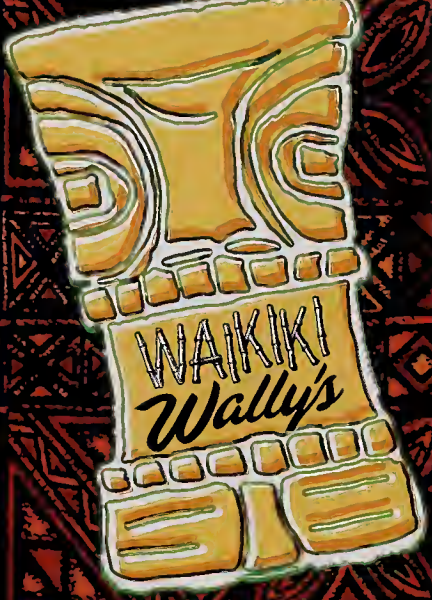

When word of Wallace's odyssey reached Betty, she immediately fled her divorce. After his release from the big and no honorable discharge from the Navy, Wallace reopened the "Volly Whaler" with a small amount of family money. He renamed it "Hibiscus Heaven" in the hope that she would be lured back to her house, one of Wallace's bartender bought him out for a song. As a tragic tribute to its former proprietor, the bartender renamed it "Waikiki Wally's."

"Waikiki Wally's" endures here at first sight, told stories and raising your life with rum and olivier. For all of these reasons, I bought it from the bartender.

Elizabeth Betty Armstrong
